Office Rent Prices by Class:

Highlights:

- Overall vacancy continued to decline from the high of Q1 2019. The reduction was due to high demand from local companies and the lack of new projects delivered to the market.
- Rent prices have stabilized somewhat, reflecting the uncertainty of the future of the global economy after the COVID-19 crisis and the delay of new office building completions.
- Take-up for Q1 2020 was 7 500 sq m.
- In the first quarter, one project was completed: Väike –Järve Ärikeskus, which delivered 3 500 sq m of new office space.
- The rest of the year should see around 80 000 sq m of new office space delivered. Although some projects will be delayed due to the COVID-19 epidemic.
- Major development projects currently under construction are the 2nd phase of Fahle Park, which will provide 15 000 sq m of new office space and Viktor Palmi maja in Ülemiste adding a further 11 000 sq m.
